

With immense proud we hereby declare the results of "Technovations" 2019 organized during TRYST'19, the annual technical of IIT-Delhi. We congratulate all the participants for their diligent and determined hard work as it gives us immense pleasure to announce that more than 400 abstracts were received in the initial stages of the competition. We are very thankful to schools and the coordinating teachers for their cooperation, enthusiasm and positive approach. The presentations have been highly appreciated by the judges in all the prescribed topics i.e. **Science of Innovation and Artificial Intelligence, Evolution of Technology: Past, Present and Future and Discovering the New Faces of Education.** Three winners have been announced for all the three topics.

The winners from the lot are as follows:
